Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner explained how the claim language for claims 8 and 15 submitted in the amendment of 2/27/2005 could be interpreted to still read on the art of record. Examiner and Applicant discussed how these claims could be reworded to be more in line with the subject matter of claim 1. The attached Examiner's Amendment provides the claim language agreed upon by Examiner and Applicant. Applicant provided authorization for these changes in a subsequent interview on 3/20/2006 at 11:30 AM EST..
